HB 6873	<p>H.B. No. 6873 (RAISED) LABOR AND PUBLIC EMPLOYEES . 'AN ACT CONCERNING INJURED VOLUNTEER FIREFIGHTERS AND SICK LEAVE BENEFITS', to enable a state employee who is injured while performing his or her duty as a volunteer firefighter to receive his or her accrued sick leave with pay while recuperating from such injury.</p> <p>(Substitute=This bill generally allows state employees who are active volunteer firefighters to use their available paid sick time to supplement their workers' compensation benefits, for an injury they received while performing volunteer firefighter duties on or after January 1, 2014. The bill limits the weekly sum of the sick time benefits and any workers' compensation wage replacement benefits the employee receives for the injury to the weekly wage replacement benefits the employee would be eligible for if he or she had been injured in the course of his or her state employment. Under the bill, the employee's collection of sick time cannot affect his or her seniority or pension benefit accrual. The bill also specifies that it does not preempt or override the terms of any collective bargaining agreement in effect before July 1, 2015. (State employee collective bargaining agreements commonly prohibit employees from taking paid sick time while simultaneously collecting workers' compensation benefits for injuries that occurred outside of their state employment, and effective date change to 7/1/15)</p> <p>REF.
