

December 21th, 2018

Everyone,

Mark your calendars! Save the date! **Fire Service Day during the upcoming legislative session will be held on May 29th, 2019 in the North Lobby on the first floor of the State Capitol Building.**

The co-chairs of the Fire/EMS Caucus have not yet set a date for their next meeting which I expect to be held after the First of the New Year. I will let everyone know when that meeting will happen as soon as I can.

Just in case you missed my last legislative update, I have included again a video link of the most recent Fire/EMS Caucus meeting that was held on December 12th:

Again, I urge all of our members to encourage their respective representatives and senators to join the Fire/EMS Caucus. We need the support of both returning and newly-elected legislators to help us with our legislative priorities.

If you would like to receive a copy of this update by email, **please contact me by email and I will add your name to my distribution list.**

I hope everyone has a safe and joyous holiday season.

Merry Christmas and Happy Holidays!

Sincerely,

Leon Collins
