<b>HB 6449</b>	<p>H.B. No. 6449 (COMM) REQUEST OF THE GOVERNOR PURSUANT TO JOINT RULE 9. 'AN ACT EXPANDING ECONOMIC OPPORTUNITY IN OCCUPATIONS LICENSED BY THE DEPARTMENT OF PUBLIC HEALTH', to implement the Governor's budget recommendations.</p> <p><b>(Substitute=This bill generally makes it easier for health care professionals licensed in other states to obtain a Connecticut credential if they reside here. It does so by generally requiring the Department of Public Health (DPH) to issue the appropriate license or other credential to a state resident, or a spouse of an active duty service member permanently stationed here, if that person meets specified requirements (e.g., has practiced under a valid credential in another jurisdiction for at least a year and has no disciplinary history). It allows DPH to (1) require these applicants to pass examinations required of other applicants and (2) deny a credential if the commissioner finds it to be in the state's best interest. The bill requires the DPH commissioner to (1) convene working groups to determine whether Connecticut should join any interstate licensure compacts and (2) report to the Public Health Committee on the groups' recommendations by January 15, 2022. Finally, the bill requires the DPH commissioner to report on whether it would be in the state's best interest to (1) replace any state exams for certain credentialed professionals with tests by national organizations that DPH deems acceptable and (2) reduce any experience and training requirements while increasing testing of applicants' knowledge or skills. Generally, this provision applies to DPH-credentialed professionals and other specified professionals credentialed by certain other agencies (principally, the Department of Consumer Protection). She must report to the Public Health Committee by January 15, 2022, sHB6449 File No. 203 sHB6449 / File No. 203 7 and develop the report in consultation with whatever boards or commissions she deems appropriate.)</b></p> <p>REF.
